

MILMED Classification

Please select 2-3 or more Classifications below in which falls within your expertise. The classifications should be noted to the Military Medicine Editorial Office if you are interested in reviewing for Military Medicine. The goal is to direct submissions to reviewers within their expertise through the classification.

CLASSIFICATION

Academics	Foot Injury
Acinetobacter baumannii	Forensic Medicine
Administration-Managed Care	General Dentistry
Administration-Nursing	General Surgery
Air Evacuation/Field Telemedicine	Geriatrics
Allergy Medicine	Glaucoma
Alternative Medicine	Head Trauma
Anesthesiology	Health Promotion
Animal Related Research	Healthcare
Anti-Microbials	Hearing Loss
Audiology	Hearing Protection
Basic Science	Hospitals-HIPAA-TRICARE
Bioenvironmental Engineering	Immunology
Biomedical Engineering	Infections
Biostatistics	Infectious Disease
Blast Injury	Informatics
Breast	Internal Medicine
Chem/Bio/Rad	Laboratory Medicine
Clinical Research	Legal/Medical Issues
Cognitive Behavioral Therapy	Lower extremity stress fract.
Contraceptive	Malaria
Deployment Medicine	Mass Casualty
Diabetes	Medical Command
Diagnostic Radiology	Medical History
Disability	Medical Readiness
Disaster Relief	Medical Technology
Diving	Medicine-Aerospace
Electrolytes	Melanoma
Emergency	Mental Health
Engineering	Microbiology
Entomology	Military Dentistry
Facial	Military History
Family	Minimally Invasive Surgery
Family/Domestic Violence	Morale
	Multi-Drug Resistant Bacteria
	Multiple Sclerosis
